You can't save your family members, no matter how much you love them	-You'll never buy yourself into God's grace -Knowing the truth is necessary for but different from living the truth.	-we confess our helplessness in of slop faith -church cannot -Knowledge alone is never the answer
A. Our PENALTY IS PAID 8:1	- Idea of condemnation - final judgment - explain "now" - explain them in Christ's terms	- You are liable to being forever condemned by God for your sins. - How bad do you need to be for God to condemn you? It's mainly a matter of how bad you are.	X	Christ our ransom	The most basic people group I'm a part of is those who are in Christ Jesus	- You pay in this truth should be a witness at work. - Nothing should be at stake here	- You give hope for ending through hard situations - To give no should make the Christian family	- God is pleased with us in Christ. - You! of Christ's love - no condemnation Culture in Korea we desire it!	- regenerate church membership. - church discipline is not retributive but corrective

[GOSPEL]	X	Christ is our substitution	Christ's identification w/ us was sufficient for the redemption of all people, nationally, so our common being in Christ is a good fellowship	- going ourselves fully for each other's purposes instead of going ourselves in order to do our work	- Husband, your love for your wife should be modeled on this.	- Adore Him for the extent of His love - Motivation for doing as we should because He gave Himself so fully - He goes with pattern for love	- This is the heart of what we're about - This is the center of our sermons our services our support & prayer
